## UltraFlex DUO

**The power of TWO.**

Improve efficiency by switching to the new double-sided, easy to use UltraFlex DUO.

The easy to implement, flexible and attractively priced mopping system - brings increased efficiency, hygiene and ROI to all areas of your business.

# The speed of TWO

**40m<sup>2</sup>** Double the floor coverage  
Cover upto 40m<sup>2</sup> per mop before changing, double the distance of single sided systems

**Faster Cleaning**  
Double sided mopping means more time cleaning and less time changing mops or wringing

**All areas and methods**  
Use as a pre-prepared system in hygiene sensitive areas (patient rooms ...) or with a press in high traffic areas (Canteens ...)

# The flexibility of TWO

**Flexible mop range**  
Washable, attractively priced mops covering all hygiene levels and floor types

**Compatible with all trolley systems**  
UltraFlex DUO mops can be pre-prepared in every mop box, reducing initial investments in new trolleys

**Minimal process changes**  
Staff only require training in mop on, mop off and dosing. All laundry and associated processes remain the same.

# The hygiene of TWO

**Proven bacteria & Virus removal**  
All mops are certified to remove up to 99.99% of virus and bacteria from floor surfaces

**Touchless mop removal**  
Innovative frame design ensures used pre-prepared mops are removed without touching

**Microfibre cleaning performance**  
Pioneered by Vileda Professional and updated to meet the latest Nordic Swan ecological standards

# The impact of TWO

**Excellent price/ performance ratio**  
Your investments are tailored to your needs with a choice of mops covering one, two or three year contracts

**Low start up investments**  
If budgets are tight UltraFlex Duo can be easily implemented onto your existing trolleys, so you only need to purchase mops and frames

**Reduce Complexity**  
Save time training staff as UltraFlex Duo is one system that can be used with all cleaning methods

# Ultra for every demand.
